Membership Overview & Key Information 2026

Membership details have now been updated on Teamo, and we invite you to complete the 2026 Registration Form.

For the first time, WTCHC is introducing a single Club membership structure covering participation across both cricket and hockey, replacing separate sport-specific memberships and encouraging members to enjoy everything the Club has to offer.

Membership fees contribute towards the maintenance and development of facilities, coaching, equipment, pitch hire, affiliation fees, utilities, insurance and the day-to-day running of the Club.

Membership categories and payment options have been reviewed to provide greater flexibility, improve affordability and support the continued development of Club facilities, activities and participation opportunities. As part of the Club's investment in its new pavilion and systems, members will also benefit from preferential rates on selected bar purchases, venue hire and other Club services, with further details to be announced as these arrangements are finalised.

Getting Started

Membership categories will be assigned by the Club's Treasurer and Liaison Officers based on the information provided through the Teamo registration process. Members should complete their registration form promptly and indicate their preferred payment option to help ensure memberships can be processed efficiently.

If you are unsure which membership category is right for you, please contact us before registering.

Payment Options

All playing memberships are administered through Teamo. Members are asked to complete the relevant registration form and select their preferred payment option.

The 10-month instalment option is available for a limited period only and must be activated through Teamo on or before 30 June.

After this date, memberships can still be purchased using the pay-in-full or 5-month instalment options.

Monthly payment options for Social Membership are available through Teamo. An annual Social Membership payment option for non-playing supporters will be introduced shortly through the Club website and EPOS systems as these are developed.

Membership Deadlines & Instalment Options

- Cricket memberships are expected to be purchased by **30 June**
- Hockey memberships should be purchased by **31 August**

Member Benefits

- ✓ Members will benefit from preferential rates on selected bar purchases, venue hire and other Club services as the Club's new pavilion and systems are introduced.
- ✓ A single membership now covers participation in both cricket and hockey, encouraging members to enjoy everything the Club has to offer without paying separate membership fees.
- ✓ *Full Playing Members receive access to each sport's core training activities connected to their playing season programme. Occasional Membership is intended for members whose participation is limited, irregular or developing and should not normally be viewed as an alternative to Full Membership for established participants regularly accessing a sport's core training programme.*
- ✓ Winter indoor cricket nets for 2027 are included within membership.
- ✓ Members can access a range of additional training, development and social opportunities throughout the year, helping them stay connected with the Club beyond the core playing season.

Participation Support

Wisbech Town Cricket & Hockey Club is committed to ensuring that everyone has the opportunity to participate and enjoy being part of our community.

Confidential support may be available where financial, practical or other circumstances could affect participation in Club activities. This may include support with membership fees, payment arrangements, equipment costs or other barriers to participation.

Members or parents/carers who would like to discuss support are encouraged to contact the Club Treasurer or one of the listed contacts in confidence. In some cases, we may ask you to complete a short confidential form to help us understand your circumstances and ensure support is provided fairly and consistently.

All enquiries will be handled sensitively, respectfully and in confidence.

Additional Membership Information

Insurance

The Club maintains a range of insurance policies appropriate to its activities and facilities. However, members remain responsible for ensuring they have any personal insurance cover they consider necessary, including cover for personal possessions, injury or loss of earnings.

Match Fees & Activity Charges

Membership fees contribute towards the overall running of the Club but do not necessarily cover all participation costs.

Match fees, event charges, sports camps, indoor hockey and certain off-season or specialist training sessions may be charged separately where applicable. Relevant section committees will communicate these arrangements at the appropriate time.

Membership & Selection

Membership does not guarantee selection for fixtures, events or competitions. Selection decisions remain the responsibility of the relevant captains, coaches and team managers.

Where demand exceeds availability, Full Playing Members will normally be prioritised over Occasional Members.

Club Policies

Members are expected to comply with the Club Constitution, Codes of Conduct, Safeguarding Policies and other Club policies in force from time to time.

Copies of these documents are available on request and will be made available through the Club website and member systems as these develop.

Club Facilities

The Club continues to invest in its facilities and services for the benefit of members. Access to certain facilities, discounts and member benefits may evolve as the new pavilion and associated systems become fully operational.

Membership Category Clarifications – Updated 18 06 26

Following feedback received from members, the Executive Committee has agreed the following clarifications to the membership descriptions originally published. These clarifications have now been incorporated into this document.

Occasional Player Membership

Previous wording:

For members who participate occasionally due to work, study, location or other commitments and do not expect to train or compete regularly throughout the season.

Full Playing Members will normally be prioritised for league selection where availability exceeds places.

Revised wording:

For members whose participation is expected to be limited, irregular or developing due to work, study, location, injury recovery, returning to sport or other commitments.

This category may also be appropriate for new participants building confidence before regular competitive participation.

Full Playing Members will normally be prioritised for league selection where availability exceeds places.

Social Membership

Previous wording:

For supporters, parents, volunteers, former players and members of the local community who wish to support the Club and enjoy member benefits, social activities and opportunities to become involved in Club life.

Revised wording:

For supporters, volunteers, former players, parents and members of the local community who wish to support the Club and enjoy member benefits, social activities and opportunities to become involved in Club life.

Parents and guardians accompanying junior members during Club activities are welcome within the Club community and may enjoy the member benefits associated with those activities whilst attending in support of their child. They do not need to purchase Social Membership solely for that purpose.

Those who regularly use Club facilities independently of junior activities, attend social events in their own right or wish to support the wider development of the Club are encouraged to consider becoming Social Members.

Member Benefits

Additional clarification:

Occasional Membership is intended for members whose participation is limited, irregular or developing and should not normally be viewed as an alternative to Full Membership for established participants regularly accessing a sport's core training programme.

These clarifications do not alter the membership categories or fees previously published. They are intended to provide additional guidance following questions raised during the initial registration period.
